We want to share with all of you a note of thanks from Sharon, Property Manager, on behalf of the apartment complex residents who were recipients of your generosity this past Christmas...

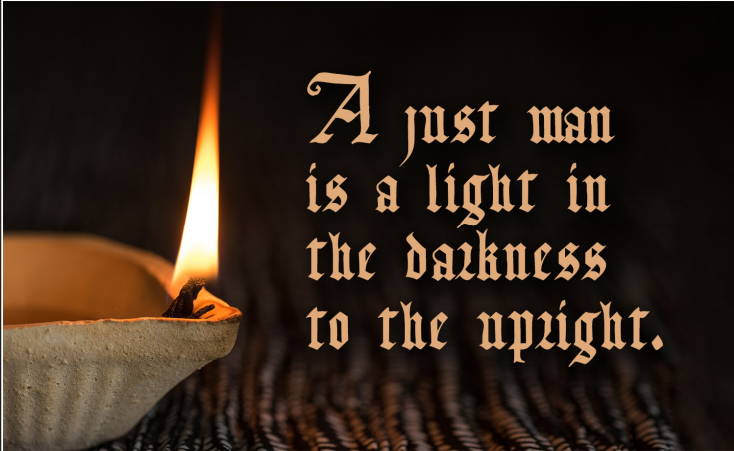

*“Gratitude and sincere thanks come in many phrases and forms and yet I find it more and more difficult to find those words that would even touch the surface of my humble feelings for this Parish. For the past several Christmas Seasons, St. Mary’s has made it possible for a great number of my community families to give their children a blessed Christmas. The ham, fruit, and large bags of groceries were so wonderful and all those families were able to set down on Christmas Day to a table filled with not only hot nourishing food but a table completed because of your love. Our older residents called to say how thankful there were to receive the warm blankets, gloves, and socks...it truly went over in a huge and happy way! As always, this simple but close knit community is thankful for the love, kindness, generosity and the show of compassion that makes Christmas what it is truly meant to be. I personally would like to say thank you for the many hours of thought that went in to making this project such a great success and to the women and men of the parish who spent many hours shopping and bagging all these gifts for the less fortunate in this community. Your Christian love and generosity of heart, spirit and Christ’s mercy that shines through each of you is truly appreciated. May God bless you all with a happy and healthy New Year.”*

*“The Gospel today reminds us that our lives and our deeds must serve as examples to others, pointing the way to the Father. Not for our own benefit do we labor, but so that others may see our good works and give glory to our Father in heaven.”*

the darkness  
to the upright.**

**FIFTH SUNDAY IN ORDINARY TIME (A)** During these days of winter, when nights are long and sunshine can be scarce, we realize the value of the sun. It brightens our day and our mood. It gives life, warmth, and light. The light of Christ can do the same. With the light of Christ, we can bring light to the darkness in our world: injustice, violence, conflict, fear, poverty, and countless other shadows. Let us resolve to let the light of Christ shine forth wherever we go and whatever we do.

*Please remember in your prayers all the sick and suffering, especially Shirley Mallinson, Marlyn Penrose, Greg Plubell (husband of Barb Plubell), and Esther Torres. May they be comforted and know God's love and care.*

*We want to wish a happy anniversary to all couples celebrating a wedding anniversary this week, especially Daniel & Reina Cartagena, T. J. & Christina Johnson, Julio & Patricia Malacara, and Jesse & Lupe Sanchez. May God grant them much happiness and love.*
